## TESOL Diploma

Get certified in Poland and start teaching English anywhere in the world right after the course! We can help find a placement for you.

**Energizers – Training & Coaching. Engineered.** is an Authorized Test Center and Teacher Training Provider of Clinique Qualifications, a world leader in language testing and certification.

**TESOL Diploma** is an excellent teaching program and qualification for anyone who wants to start **Teaching English to Speakers of Other Languages** in English-speaking countries or abroad, but has little or no previous teaching experience.

**TESOL Diploma** program also works well for those who have been teaching English for some time but need some methodology 'update' (a refresher course).

**TESOL Diploma** program equips trainees with the theory, practice, teaching skills and knowledge of effective methodologies that meet the necessary requirements of **TESOL Diploma** qualification.

**TESOL Diploma** program features practical, immediate relevance (supervised teaching practice: observing & teaching, lesson planning, assignment portfolio, foreign language input, reflective course journal, feedback and assessment).

**TESOL Diploma** program is delivered by highly qualified and experienced teacher trainers, directors of studies, university instructors and coursebook authors.

**Energizers – Training & Coaching. Engineered.** will help you find convenient accommodation in Lublin, Poland depending on your needs (dorm, hotel, etc). An airport pick-up in Poland can be arranged too. Contact **Energizers TESOL Certification Program Director** for details.

## TESOL Program Content
